

The North Alabama Volkswagen Club

www.navwc.org

The North Alabama Volkswagen Club (NAVWC) is made up of Volkswagen enthusiasts from North Alabama and the surrounding areas. Together, these enthusiasts formed the NAVWC to help promote and spread our passion for VW's. We are also passionate about helping out in our community.

The NAVWC is proud to be partnered with Crisis Services of North Alabama. Every year in July, our club hosts a benefit car show, called ***Bug'n In July***, which attracts hundreds of visitors & participants from across the Southeast. All of our show proceeds will be donated to Crisis Services, our sponsored charity.

In order to make the largest contribution possible, we strive to keep our show costs to a minimum. However, in order to have a successful show, we need your sponsorship and/or donations. Your sponsorship dollars will help make our show possible and any donated items will be raffled off throughout the show. *(Receipts are available for tax purposes.)*

As a sponsor, you will be listed on our show flyers, website, and will be publicly thanked throughout our show during hourly announcements. Sponsors who donate \$100 or more will also have their company listed on the back of our show T-shirt, garnering your organization continued exposure throughout the year. On the days of the show, we will also have a table available for all sponsors to display pamphlets, menus, or company merchandise.
